

Sollio Next Generation Award

2025-2026 Edition
Application Form
Farm Succession Category

**Every farm has its own story.
Tell us yours.**

Conditions

In order to be eligible for the Sollio Next Generation Award, the enterprise must:

- Be a member and client of a cooperative in the Sollio Cooperative Group for at least one year;
- Have at least one member of the young generation aged 40 or under;
- Have at least 20 % of the shares of the farm.

Selection process

Step 1: Application package

- The farm's representatives must complete the application form found on the following pages.
 - All information will be taken into consideration in the judging panel's evaluation
 - It is important to fill out each section and provide as much detail as possible
 - We recommend having someone from your cooperative who supports your nomination review your application before sending it in
- You must include a letter of recommendation from your cooperative's board of directors, signed by the chair, listing the reasons why your farm deserves the award.
- Your application must be received by March 31st, 2025.

Step 2: Selection of semi-finalists

- A panel of judges will confidentially review all entries and select the semi-finalists.
- The judges will contact each semi-finalist for an interview.

Step 3: Selection of finalists and winners

- Based on the interviews, the judges will select the finalists.
- The finalists will be visited by a journalist, a film crew and a photographer to produce a short video and an article for publication in Coopérateur magazine. The farm's representatives will be asked to give their consent in accordance with our privacy policy, available in French at: <https://sollio.coop/en/privacy>.
- The representatives for the finalist farms will be invited to the Sollio Cooperative Group annual general meeting banquet in late February 2026, where the winners will be announced.

APPLICATION PACKAGE

Please answer the following questions in detail so that the judges can evaluate how well your farm meets the award criteria for succession planning and implementation. Include any information you feel is relevant.

SECTION 1 – TECHNICAL AND FINANCIAL ANALYSIS (10%)

Please provide the following information about your farm. Answer only for the production types that apply to your farm. For each applicable production type, please specify the percentage of your total farm operations that it represents (for example: 50% beef production + 50% crop production).

Documents required: Please provide a performance report for each production type. This will be used to complete the technical and financial analysis of your farm business. If you need help, just ask your Agromart advisor.

Production type

Livestock production	Percentage (%) of total perations	Volume Specify unit of measure	Owned or rented
Dairy production			
Pork production farrowing, nursery and growing-finishing			
Poultry production broilers and layers			
Beef production cows, calves and fattening			
Ovine production			
Equine production			
Other: <input type="text"/>			
Crop production	Percentage (%) of total operations	Volume or area Specify unit of measure	Owned or rented
Field crop production Please specify: <input type="text"/>			
Forage crop production Please specify: <input type="text"/>			
Vegetable production Please specify: <input type="text"/>			
Maple syrup production			
Food processing Please specify: <input type="text"/>			

SECTION 2 – INTERPERSONAL (25%)

Team profile

1. Describe your team and how you work together (for example, the relationships between the owners and other team members, including parents, siblings, children, spouses, etc., if applicable and relevant).
2. Describe how you accounted for fairness and equity among all members during the farm succession.
3. Describe a challenge your team has faced and how you overcame it.

SECTION 3 – MANAGEMENT (25%)

1. Briefly describe the main steps of your farm succession, including key dates.

1.1 Initial conversations and factors that led to the decision, from the point of view of both the successor(s) and the predecessor(s).

1.2 Official steps and actions taken by both the successor(s) and the predecessor(s).

2. When preparing for your farm succession:

From the list below, select all the parties who helped you. Check all that apply.

- CRÉA advisor
- Cooperative agri-advisor
- Agri-environmental agri-advisor
- Notary
- Accountant
- Financial advisor
- MAPAQ or La Financière agricole du Québec advisor
- Local business development centre
- Lactanet advisor
- Advisory club
- Union des producteurs agricoles (UPA) advisor
- None
- Other, please specify: _____

2.2 Describe how each of the parties helped you:

Sollio Next Generation Award

2025-2026 Edition

3. After your farm succession, did you receive help from any of the above parties? If so, how did they help you?

4. How does your relationship with your local cooperative help your business?

5. What is your management style? How do you ensure that information flows well (formal or informal meetings, board of directors, corporate vision, decision-making, etc.)?

6. Are you a member of an equipment-sharing association? Or do you share farm equipment in any other way?

Yes
No

If so, please list the machinery and equipment that you share.

7. Do you use custom work?

Yes
No

If so, please specify.

SECTION 4 – FINANCIAL (25%)

1. What main steps did you take in terms of budget planning and farm share or equity redemption?

2. What investments did you need to make?

3. What are your plans for the coming years and what do they involve, financially?

4. How do you see your farm's future in the long run?

SECTION 5 – ENVIRONMENTAL PRACTICES (10%)

1. Which of the following agri-environmental methods have you used in the past two years?

- AEFP/phosphorus balance
- Pesticide logbook
- Pallet recovery
- Used oil recovery
- Feed bag recovery
- Seed bag recovery
- Farm plastics recovery
- Herbicide container recovery
- Planting of windbreak hedges
- Managed and/or unmanaged riparian buffers
- Silos to reduce the use of mineral/feed bags
- Other, please specify:

Details:

2. Which of the following sustainable farming methods have you used in the past two years?

- 4R
- Green manure
- Direct seeding
- Crop rotation
- Cover crops
- Minimum tillage
- Sprayer calibration
- Controlled-release fertilizer
- Lime/fertilizing residual materials
- Variable-rate lime and fertilizer application
- Expert advice
- E-commerce
- AgConnexion
- Other, please specify:

Details:

3. What are your animal welfare practices (if applicable)?

SECTION 6 – CONCLUSION AND ADDITIONAL DOCUMENTS (5%)

1. Explain how your farm succession is a model of financial and personal success, for both the successor(s) and the predecessor(s).

2. Why should you be chosen as a finalist for the Sollio Next Generation Award?

3. Additional documents required. Please send by e-mail with your application form.

Letter of recommendation from your Agromart retailer

Performance report by production type (Section 1 – Technical and Financial Analysis)

A document containing up to 10 photos with a short caption for each (for example, team, different production types, buildings and facilities, agri-environmental practices, etc.)

Signature
